

Taking an offering on Adoption Sunday

Thank you for using our Adoption Sunday resources in your church. We pray that they encourage your congregation by being reminded that they have been adopted into God's family.

Home for Good

Home for Good is a UK-wide charity with a huge vision: a home for every child who needs one. We want every child to have a stable, loving home where they can thrive. We know that for children in care, it's crucial to find the right placement at the right time - whether that's a short-term foster placement in an emergency, a long-term foster placement or a new adoptive family.

Currently, this isn't always possible. In the UK there is an urgent need for 7,000 more foster families and there are not enough people coming forward to adopt children who wait the longest for adoption - children over the age of four, with additional needs, from black and minority ethnic communities and who are part of a sibling group.

Could your church take up a special Adoption Sunday offering to help children and young people find a home for good?

Home for Good exists to find a home for every child who needs one and to make sure that foster carers and adoptive families get the support they need. We inspire people to consider fostering or adoption, and equip churches to be safe, welcoming and supportive for families that foster and adopt. Your church's Adoption Sunday offering can help improve the well-being of children in care, both today and in the years to come.
